Product information

These headband ear defenders are constructed to be both durable and ultra lightweight. They have broad foam cushions, high impact ABS cups (filled with sound absorbing foam) and comfort headband.

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
