Reference: F40

Outer Carton: 12

Product information

Outstanding slip-on style ideal for medical and food industries. The easy to clean microfibre upper is practical, safe and durable. Steel toecap and excellent slip resistance.

Steelite® MICROFIBRE

Steelite™ Microfibre

The Steelite Microfibre Food and Medical Industry products are manufactured from high quality microfibre, which is water resistant and machine washable. The single density polyurethane outsole has been developed to self-clean which prevents cross contamination whilst providing excellent slip resistance.

Footwear

Innovation, quality components, styling and expert construction define the Portwest footwear collections.
